v.

Case No. 19-CR-227

JOSEPH BONGIOVANNI,
PETER GERACE, JR.,

Defendants.

STATE OF NEW YORK)
COUNTY OF ERIE) ss:
CITY OF BUFFALO)

JOSEPH M. LaTONA, being duly sworn, deposes and says:

1. I have been retained to work with Joel Daniels, Esq. with regard to pre-trial matters.

2. This affidavit is submitted in support of the defense motion for reconsideration of the Magistrate/Judge's order of June 29, 2021. That order denied Mr. Gerace's motion for disclosure of several search warrant applications.

3. Specifically, Mr. Gerace moved to unseal search warrant applications issued on November 29, 2019 and February 26, 2021 concerning his residence and his business premises, Pharaoh's Gentlemen's Club, at 999 Aero Drive in Cheektowaga [Doc. 139, pp. 36-37].

4. The prosecution opposed the Gerace disclosure motion [Doc. 123].

5. The matter proceeded to oral argument on June 29, 2021. At the conclusion of the oral argument, the Magistrate/Judge issued his decision.

6. In denying the defense disclosure motion, the Magistrate/Judge stated that the Court could conduct an *in camera* review which would reveal any "insufficient or lack of probable cause in the federal search warrants" [Doc. 139, p. 38].

7. More importantly, the Magistrate/Judge stated that:

". . . there is no evidence before the Court that suggests that the warrants were based on deliberately or recklessly false or misleading information" [Id.].

8. On June 29, 2021 the defense was provided with a redacted application to search Mr. Gerace's cell phone. The cell phone had been seized from Mr. Gerace upon his arrest in Florida on February 28, 2021 [Doc. 139, p. 37].

9. Attached to this motion are excerpts from Mr. Gerace's omnibus motion and legal memorandum seeking suppression. The motion is based upon counsel's review of the redacted search warrant application [Exhibit A]. The suppression motion seeks a hearing pursuant to Franks v. Delaware, 438 U.S. 154, 98 S.Ct. 2674 (1978).

10. As pointed out in the attached excerpts, Agent Curtis Ryan was the affiant on the cell phone search warrant application as well as on the earlier search warrant applications.

11. The redacted search warrant application reveals numerous Franks violations unquestionably designed to mislead the issuing Magistrate.

12. The defense contends that the affiant on all of the pertinent search warrant applications is inherently untrustworthy. Consequently, the defense requests that the Magistrate/Judge reconsider his earlier denial of the defense motion for access to the search warrant applications.

13. In that regard, the Magistrate/Judge's attention is also invited to the Supreme Court's observation that a grossly negligent "disregard for Fourth Amendment rights" is

cognizable under the Franks rule. Davis v. United States, 564 U.S. 229, 238, 131 S.Ct. 2419, 2427 (2011).

WHEREFORE, deponent respectfully requests that this Court grant the relief sought in the annexed Notice of Motion, together with such other and further relief as the Court deems proper.
